

USES: Removes efflorescence salts, limescale, and rust stains from vertical and horizontal concrete, brick, pavers, masonry, limestone, and stucco surfaces. Suitable for indoor and outdoor use.

APPLICATIONS: Chimneys, basement floors and walls, patios, pool decks, garage floors, driveways, sidewalks, facades, retaining walls, parking areas, concrete decks, seawalls, and similar.

LIMITATIONS: Not for use on colored, or acid stained surfaces.

COVERAGE: 100-200 sq. ft. per gallon.

CONDITIONS: Substrate should be dry prior to cleaner application. Apply when air and surface temperatures are between 45-90° F.

PREP: Surfaces must be bare and clean. Remove ground-in dirt, paints, sealers, mold, oil, grease, and other contaminants. Vacuum or broom away excessive dust and loose particles.

TESTING (recommended): Test product in an inconspicuous area to determine surface suitability and appropriate application technique.
NOTE: Product may cause etching.

PRECAUTIONS:

- Mask all surfaces not intended to be cleaned.
- Water down surrounding grass and shrubs.
- Avoid contact with contact aluminum and other metals.

STORAGE: Store product in a dry location out of direct sunlight. Store at temperatures between 40-90 °F. Avoid freezing.

SHELF LIFE: 1 year from date of shipment.

CLEAN UP: Rinse tools with clean water. Dispose of unused material and empty containers in accordance with local regulations.

EFFLORESCENCE CLEANER

REMOVES UNSIGHTLY EFFLORESCENCE, SALT DEPOSITS, LIME AND RUST STAINS

WATER-SOLUBLE

LOW ODOR

FAST WORKING

EASY USE

INDOOR | OUTDOOR

APPLICATION: Apply using a hand pump garden/lawn sprayer, equipped with a fan tipped nozzle (recommended), roller, or brush.

STEP 1: Spray, roll, or brush cleaner onto the affected areas. Avoid streaking on vertical surfaces by back rolling.

STEP 2: Agitate the cleaner with a stiff bristle nylon broom or brush.

STEP 3: Allow 3-5 minutes for cleaner to work.

STEP 4: Rinse surface of cleaner with plenty of water.

HEAVY DEPOSITS: Reapply cleaner on heavier effloresced deposits or stubborn stains until they have been removed.

CAUTION! KEEP OUT OF THE REACH OF CHILDREN. DO NOT TAKE INTERNALLY. MAY CAUSE EYE OR SKIN IRRITATION. AVOID CONTACT WITH SKIN AND EYES. SURFACE MAY BE SLIPPERY WHEN WET. USE ONLY WITH ADEQUATE VENTILATION.

FIRST AID! EYE CONTACT: Flush with water for at least 15 minutes.
SKIN CONTACT: Wash thoroughly with soap and water. **INGESTION:** If swallowed, do not induce vomiting. Seek medical attention. In all cases if symptoms persist, seek medical attention.
