CONTENT: 1 LB.

Controls:

- **molds**
- **mildew**
- **bacteria**
- **viruses**
- **musty odors**

For basements, bathrooms, rest rooms, closets, kitchens, air-conditioning ducts, musty rooms, homes, office buildings, ships, RV's, etc.

BioZap™ Air Purifier contains natural Tea Tree Oil distilled from Australian Melaleuca alternifolia tree. This volatile essential oil is active against all three categories of infectious organisms – bacteria, viruses and fungi. It is Nature's most potent antiseptic, germicide, antibacterial, and fungicide, as well as air deodorizer.

BioZap™ controls molds, mildew, fungi, yeast, bacteria, viruses, and musty odors.

Active ingredients:

8% Tea Tree Oil, 1% scented Tea Tree Oil.

Directions: Remove protective seal, twist off lid and place in the area. Cleans up to 2,000 sq. ft. The content gradually vaporizes over several weeks. If still necessary, replace with a new container.

**CAUTION: Keep away from children and pets.
May be harmful if swallowed.**
